

Where'd The Weather Go?

1. Woke up in a state of calm
2. Dried up and then dis - a - ppeared

Where did all the wea - ther go?
Where did all the wea - ther go?

Found out that the wind was gone
No sign of the at - mos - phere

Where did all the wea - ther go?
Where did all the wea - ther go?

Where'd the wea - ther go?
Where'd the wea - ther go?

Where'd the wea - ther go?
Where'd the wea - ther go?

Some-where deep in the sky - line

Tem-pera - ture went aw - ay
